HAMPERS THAT TELL A STORY

SUSTAINABLE GIFTING

Each of our hampers carries more than just carefully curated gifts; it carries the hopes and dreams of rural women from a small village near Bhubaneswar, nestled deep in the heart of Odisha. Handcrafted with care, these eco-friendly boxes are made from Sabai grass, a resilient and sustainable natural fiber that grows in select districts of Odisha and West Bengal. Every hamper is a testament to the skill and dedication of the women who weave these women who are now building brighter futures for themselves and their families. This initiative empowers them with sustainable livelihoods, fosters self-reliance, and creates lasting change, one beautifully woven box at a time.
